F. No. - 1-8/2016-RMSA-IV/VE  
Government of India  
Ministry of Human Resource Development  
Department of School Education & Literacy

Shastri Bhawan, New Delhi  
6<sup>th</sup> April, 2018

To,

**The Principal Secretaries (School Education) of all States/UTs**

**Subject:- The scheme of Vocationalisation of Secondary and Higher Secondary Education - List of job roles.**

Sir,

As you are aware, a list of 100 job roles was circulated vide this Ministry's letter dated 31<sup>st</sup> May, 2017. However, later it emerged through discussions with various stake holders that the list requires further modifications in view of the duplications and nomenclature discrepancies of job roles and suitability with regards to safety of the school students.

Therefore, the Ministry has developed a consolidated list of 73 job roles (existing & new) suitable for the school system which is being forwarded herewith. It is mentioned here that **this list of 73 job roles replaces the list of 100 job roles** circulated vide this Ministry's letter dated 31<sup>st</sup> May, 2017.

It is requested that these job roles may be considered while implementing the scheme of Vocationalisation of Secondary & Higher Secondary Education as per the need of the schools/students. As regards the curriculum and courseware for these job roles, Pandit Sunderlal Sharma Central Institute of Vocational Education(PSSCIVE), Bhopal may be contacted.

It is also informed that the job roles which are already under implementation will be phased out after completion of the four year cycle and new vocational courses to be approved from the current year i.e. 2018-19 will be implemented according to the revised model of implementation i.e. the course will be taken up in Classes 9-10 with exit at Class X and another course preferably in the same line of progression will be taken up in Classes 11-12 with exit at Class 12.

The result of district wise skill report which gives projection up to 2022 is available on the website of National Skill Development Corporation at

[www.nsdcindia.org/nsdcreports](http://www.nsdcindia.org/nsdcreports). These reports may be referred to while planning the activities under the Vocational Education component.

Yours faithfully,

(P.P Gupta)

Deputy Secretary to the Government of India
