**Subject:** Regarding essay writing and painting competitions in schools

It is submitted that Indian Council of Agricultural Research (ICAR), New Delhi has sanctioned a project on 'Crop Residue Management' in Mansa district, which is to be executed through Krishi Vigyan Kendra, Khokhar Khurd, Mansa. Krishi Vigyan Kendra is a centre of Punjab Agricultural University, Ludhiana for dissemination of latest agricultural technologies among the farmers of district Mansa. In above said project awareness regarding *in-situ* crop residue management and harmful effects of open field burning of rice residue is to be created among school going children of Mansa district. For the successful implementation of this project, Krishi Vigyan Kendra, Mansa has adopted four villages yiz. Khokhar Kalan, Sadda Singh Wala, Burj Dhillawan and Makha to create awareness among school going children.

Krishi Vigyan Kendra, Mansa has to organize different activities such as Essay writing, Painting and Debate competition on crop residue management. You are therefore, requested to allow this office to collaborate with the High as well as Senior Secondary Schools of above mentioned villages for organizing such activities.
