# Punjab State Council for Science & Technology

A Scientific & Industrial Research Organization approved by DSIR & Central Govt.  
under Clause (ii) of Sub-Section (I) of Section 35 of Income Tax Act, 1961

(A State Govt. Undertaking)

MGSIPA Complex, Institutional Area, Sector 26, Post Box No. 727, Chandigarh - 160 019 (India)

Ref No. : PSCST/ 1021- 1042

Dated: 20/9/21

Dear All District Education Officers,

As you are aware, National Children's Science Congress is a flagship program of DST, Govt of children of 10-17 years of age. The activity is organized throughout the country at district, state and national levels. For Punjab, CSC is organized by Punjab State Council for Science & Technology under its STEM outreach program in collaboration with the School Education Department, Punjab. The District Education Officers of all districts are the district coordinators for organizing CSC at the district level.

2. I am to inform that for CSC-2021, we are organizing the Online State Level Orientation Workshop on 06.10.2021 at 02:00 PM. Head of NCSTC, DST, Govt. of India, Dr. Praveen Arora has kindly agreed to inaugurate the webinar and Dr. Jatinder Kaur Arora, Executive Director, Punjab State Council for Science & Technology will preside over.

3. The State Level Orientation Webinar for NCSC-2021 will be organized on the current year's theme, i.e. 'Science for Sustainable Living'. I am to request you to attend the webinar as District Coordinator and also nominate at least 15 most active teachers of your district to attend. The link for the registration for the participants is: <https://forms.gle/FbjrqTK1dcvSTbUy7>. The participants are required to get registered by 4<sup>th</sup> of October positively. Kindly, circulate the link to all active science teachers of your district. The certificates for participation will be awarded.

4. The attendance in the webinar is **most necessary** as you have to organize the District Level CSC in your district after this webinar. It is desirable that at least 100 schools of each district should mandatorily participate in CSC as this is a biggest platform for students to exhibit their creativity and scientific aptitude through preparation of small research projects under the given theme and sub-themes. Many students and teachers of the state have participated in CSC in previous years and performed excellently to bring laurels to the state. Therefore, the momentum and spirit has to be kept alive for the sake of students future.

5. It is also informed that the available grant for organizing the District Level Orientation and District Level CSC would be given. This will include honorarium for the District Coordinators. Please submit your bank details along with copy of cancelled cheque for RTGS transfer of CSC grant.

6. Detailed Program of webinar, Brochure and Activity Book of CSC are enclosed.

Looking forward to your active participation in CSC-2021.

Yours sincerely,

  
Dr. K.S. Bath  
Joint Director
