Subject

Registration of Boiler Industry on NAPS portal (Apprenticeship) of Govt. of India-Identification of eligible youth of Punjab for BOILER OPERATOR.

It is matter of appreciation that Boiler industry of Punjab under the president ship of Mr T R. Mishra & Patronage of Sh. Upkar Singh Ahuja president CIGU has done a commendable job on 24-06-2022 at CIGU complex Ludhiana by initiating the Registration process on GOI portal so that the eligible youth/School dropouts of 10<sup>th</sup>, 12<sup>th</sup> can work in the Boiler industry as apprentice by earning Rs 7000 pm while learning in the industry itself. The said process was started by the Department of Technical Education & Industrial Training, Punjab after the strong demand of President Boiler Association. Once the process is completed about 10000-15000 eligible youth of Punjab can earn @Rs 7000 pm from industry, out of which Govt. will reimburse Rs. 1500/- per apprentice per month to the industry.

On 24-06-2022 about 431 Boiler Industry was registered with the help of local surrounding ITI staff of Govt. ITI's.

In the said background, I request you to get yourself registered on the Portal of GoI as per the checklist/steps/Instructional Manual are listed in the below Google Drive link and the process of registering to be completed by 15-07-2022.

**Subject:** Holding of BOILER INDUSTRY-ACADEMIA meets to train Interested Youth of Punjab to become Boiler Operator getting Apprenticeship stipend @ Rs.7000 PM there of--On-24-06-22--at 2:30 PM: CICU Complex Industrial Area, Ludhiana.

*Respected Ma'am,*

As you are aware that the Government of Punjab is focusing to provide maximum employment opportunities to the youth of Punjab, so that they are constructively engaged in the industries. There are about 5000 Boiler industries in Punjab which are constantly demanding about 15000 number of well trained Boiler operators which are presently almost not available

2 The Apprentices Act, 1961 was enacted with the prime objective to utilize fully the facilities available in industry for imparting practical training with a view to meet the requirements of skilled manpower for industry. Initially, the Act covered the apprenticeship training for the trade Apprentices and subsequently amended in 1973, 1986 and 2014 to bring the Graduates, Technician, Technician (Vocational) and Optional Trade Apprentices respectively under its purview

3 The minimum rate of stipend for National Trade Certificate (NTC) holder has been fixed as Rs 7000 PM. During the second Year of apprenticeship training, there shall be an increase of 10 percent in the prescribed minimum stipend amount in the second year

4 In the said background the department of Technical Education under the supervision of Sh. DPS Kharbande, IAS, Director, Technical Education has kept Boiler Industry - Academia meet on 24-06-22, 2:30 PM at CICU Complex Ludhiana, in which about 500 Boiler industries in the first phase will be registered on Govt. of India apprenticeship Portal.

5 The General information about the Boiler Attendant trade is attached here with for reference.

6 Therefore, you are requested to direct the DEO (Secondary) Ludhiana to attend this meet personally along with vocational/ skill teachers of every secondary school of Ludhiana district, so that maximum dropouts/interested from Secondary education can be trained as per the industry demand which will further absorb in the industry. The DEO (Secondary) Ludhiana may be directed to bring the list of all such probable students/ dropouts

*With regards,*

Yours Sincerely,

*Rahul Bhandari*
