1

For the benefit of the candidates, the University has decided to add some Part-Time programmes including M. Tech., MBA and PGDCA. University also offers additional optional opportunity for their students to earn B. Tech. with Honors or B. Tech. Major along with Minor Engineering programmes in-line with IITs. University is proud to host state-of-the-art consultancy services, testing services, continuing education programmes (disciplinary/multidisciplinary approaches), online learning, national and international collaborations, MoU, transfer of intellectual property rights, etc.

The University has always been sensitive to the concerns of the enrolled/registered and prospective students. University has collaborations with leading International Universities like Wayne State University, Detroit, Michigan (United States), Vancouver Island University, Canada and Thompson Rivers University, Kamloops (Canada) etc. for exchange of scientific and/or technological research/recruitment of students to degree seeking programs in the institutions. MRSPTU also encourages students to excel in various sports and extra-curricular activities by conducting various competitions and providing necessary infrastructure.

We appreciate the visionary leadership, efforts of Govt. of Punjab and your team regarding study trip to higher education within State. In light of the above, your good-self is intimated that Maharaja Ranjit Singh Punjab Technical University (MRSPTU), Bathinda is ready to carry out various activities related to study trip of 9<sup>th</sup> to 12<sup>th</sup> class students of your jurisdiction at our premises which shall be helpful to develop the academic and social-cultural collaborations among the students and the University. Student shall learn about the facilities provided by the University, the Culture of the Campus and Academic Programmes offered by the University. Moreover, the students during their visit shall gain first hand experience via model exhibition and will get valuable information through lab-visit, expert talk and while interacting with University

Faculty/Staff members: The University visit shall provide the students with an opportunity to learn practically through interaction and working models.

It is also submitted that the University is going to organize a "Science Fair-2023" dedicated to National Science Day dated on 3<sup>rd</sup> February, 2023 (Friday) at MRSPTU, Bathinda. Various students of 9<sup>th</sup> to 12<sup>th</sup> class from various schools are also going to participate for the same (it's a Open Invitation). YOU ARE REQUESTED TO DISSEMINATE THE INFORMATION among the Staff and Principals of your jurisdiction so that maximum students can take benefit from the same. Key attraction for this fair shall be: Aero show, Auto Expo, Go Cart/Car Rally project, Organic Farmer Mandi, Awareness regarding Various Central/State Govt. Schemes/Scholarship, Competition under National Science Day Celebration, Science Live Experiments, 15+ Department Pavilion, Books Exhibition, Career Counseling, Motivational Lecture and Food Court etc.

Your cooperation in this regard is highly appreciated.

With warm regards!
