SUB: CELEBRATION OF TEACHERS DAY-2023-reg.

Dear Sir/Madam,

Greetings from the Bharat Scouts and Guides, National Headquarters!

5th September is celebrated as Teachers' Day that also commemorates the birth anniversary of Dr. Sarvepalli Radhakrishnan, an academic, professor and philosopher and former Vice President and President of India. The purpose behind observing this day is to honor the teachers who eliminate darkness from the minds of their disciples or students and empower them with knowledge. A teacher can play a major role in forming the future of any country by shaping the future of its students and is given the value above gods as per the purans and vedas.

This knowledge is passed on from teachers to its students and it does not necessarily be in the form of school or college education. Teachers enlighten us in many ways and provide guidance to choose the right path in our life. To acknowledge the role that teachers play in our life, many countries all over the world observe Teacher's Day.

All the State Associations are requested to encourage all the Units at District and Local Level to observe the day and celebrate the Teachers Day with much joy and vigor by organizing various thanks giving activity to their Teachers by organizing innovative activity like :-

- Painting and Drawing competition
- Greeting Card making competition
- Patriotic Singing
- Cultural Dance
- Patriotic Costume Contest
- Quiz Contest
- T. Shirt Painting

Brief report with action photographs may kindly be forwarded to NHQ soon after the observation of the Teachers Day- 2023 at girlprogramme@bsgindia.org with a copy of info@bsgindia.org, so that the report can be published in BSG NHQ monthly magazine and BSG social media sites for the greater visibility of the movement
